JPA Italy will attend the Global Islamic Economy Summit, the region's premier forum on the Islamic economy. GIES, organized by Dubai Chamber of Commerce & Industry and Dubai Islamic Economy Development Centre, brings together world-class experts in critical industry sectors.

GIES will take place on October 11-12, 2016 at the Madinat Jumeirah in Dubai and it will focus on further realizing commercial opportunities whilst placing emphasis on social development and ethical investment by providing a platform for policymakers and industry leaders to connect and drive change.

Thanks to the participation at this event, JPA Italy is going to consolidate its business presence in Muslim world and also improve the quality of the services that JPA Italy offers to both Italian and foreign companies.
