JPA Corporate Finance International AG: Cross Border M&A Advisory Specialists

Recently, along with other JPA members, we have created JPA Corporate Finance International AG that provides a **full range of M&A and financial advisory services globally across all industry sectors.**

We are able to connect a company with local teams and we combine a deep industry expertise with local knowledge to focus on the deal

We are best organized to serve our clients to offer an international coverage: **headquartered in Germany** where we have the central research and coordination unit and **offices in 9 countries** with over 150 correspondents.
